There was no share entitling the holder to attend and abstain from voting in favour of any of the resolution as set out in Rule 13.40 of the Hong Kong Listing Rules. No shareholder was required under the Hong Kong Listing Rules to abstain from voting. A 'vote withheld' is not a vote in law and has not been counted in the calculation of the proportion of the votes 'for' and 'against' a resolution.

The Board of Directors notes that resolution 2 relating to the approval of the 2014 Directors' Remuneration Report, received a vote of 76.29% in favour. As set out in the Directors' Remuneration Report, further significant regulatory changes to executive remuneration are expected from the UK's Prudential Regulatory Authority and the Financial Conduct Authority, as well as from the European Banking Authority during 2015. Once these changes are finalised, the Group Remuneration Committee will consider their effect on the current remuneration policy and will consult with shareholders to understand the reasons behind today's vote result and on any changes to be made to our remuneration policy for 2016.

Computershare Investor Services PLC acted as scrutineer of the poll on all resolutions.
