All repurchases on The Stock Exchange of Hong Kong Limited ("Hong Kong Stock Exchange") are "off market" for the purposes of the Companies Act 2006 but are transactions which occur "on Exchange" for the purposes of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and which constitute an "on-market share buy-back" for the purposes of the Codes on Takeovers and Mergers and Share Buy-backs.

Since the commencement of the buy-back announced on 31 October 2023, the Company has repurchased 129,728,329 ordinary shares for a total consideration of approximately US\$977.1m.

Following the cancellation of the shares repurchased on the UK Venues, the Company's issued ordinary share capital will consist of 19,346,583,200 ordinary shares with voting rights. There are no ordinary shares held in treasury. Cancellation of the shares repurchased on the Hong Kong Stock Exchange takes longer than those repurchased on the UK Venues and a further announcement of total voting rights will be made once those shares have been cancelled.

The above figure of 19,346,583,200 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to

their interest in, the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.
